Content Description

The postcard collection consists of "real photograph," linen, and various other types of postcards. Most of the cards are of Utah or the Inter-mountain West and date from 1900 to 1940.

Use of the Collection

Restrictions on Use

Copyright

It is the responsibility of the user to obtain permission to publish from the owner of the copyright (the institution, the creator of the record, the author or his/her transferees, heirs, legates, or literary executors). The user agrees to indemnify and hold harmless the Utah State University Libraries, its

officers, employees, and agents from and against all claims made by any person asserting that he or she is an owner of copyright.

Permission to publish material from the Postcard collection must be obtained from the [Special Collections Photograph Curator](#) and/or the Special Collections Department Head.

Preferred Citation

Postcard collection, 1895-1990. (P0031). Utah State University. Special Collections & Archives Department.

Administrative Information

Arrangement

The cards are arranged in alphabetical order by location with one "miscellaneous" category (consisting mostly of portraits) for cards with no given location.

Acquisition Information

This collection began with cards that were deemed unnecessary and removed from other collections (i.e. no correspondence or identification on the card) and from loose cards gathered throughout the Special Collections Department. The collection has grown through purchased cards and cards taken from recently processed collections.

Processing Note

Register completed by Rachel Garner, October 2001.
