Biographical Note

J. Irvin Swigart was a University of Utah physicist, 1931-1978 and a senior physicist in Upper Air Research projects conducted by the University of Utah for the U.S. Air Force during the 1950s and 1960s.

Content Description

The J. Irvin Swigart papers (1918-1981) consist of reprints of articles, scrapbooks, photos, notes, and some correspondence from years as professor of physics at the University of Utah, 1931-1978.

Use of the Collection

Restrictions on Use

The library does not claim to control copyright for all materials in the collection. An individual depicted in a reproduction has privacy rights as outlined in Title 45 CFR, part 46 (Protection of Human Subjects).
For further information, please review the J. Willard Marriott Library’s Use Agreement and Reproduction Request forms.

Preferred Citation

Initial Citation: J. Irvin Swigart papers, ACCN 0969, Box [ ]. Special Collections and Archives. University of Utah, J. Willard Marriott. Salt Lake City, Utah.

Following Citations: ACCN 0969.

Administrative Information

Processing Note

Processed by Manuscript Division staff.

Separated Materials

Photographs and slides transferred to the Multimedia Section of the Manuscripts Division (P0599).
