Content Description

Collection comprises photographic prints and negative of University of Oregon faculty, students, buildings, organizations, and events, circa 1890s to present.

Use of the Collection

Restrictions on Use

Property rights reside with Special Collections & University Archives, University of Oregon Libraries. Copyright resides with the creators of the documents or their heirs, unless otherwise specified. All requests for permission to publish must be submitted to the University Archivist in Special Collections & University Archives. The reader must also obtain permission of the copyright holder.

Archival material may contain materials with sensitive or confidential information that is protected under federal and/or state right to privacy laws and other regulations.

Researchers are advised that the disclosure of certain information pertaining to identifiable living individuals represented in this collection without the consent of those individuals may have legal

ramifications (e.g. a cause of action for invasion of privacy may arise if facts concerning an individual's private life are published that would be deemed highly offensive to a reasonable person) for which the University of Oregon assumes no responsibility.

If a researcher finds sensitive personal information in a collection, please bring it to the attention of the reading room staff.

Preferred Citation

[Identification of item], University Archives photographs, UA Ref 3, Special Collections & University Archives, University of Oregon Libraries, Eugene, Oregon.

Administrative Information

Future Additions

Donations of additional materials to Special Collections & University Archives are expected in the future. This finding aid may be updated in the future to reflect additions.

Processing Note

Collection processed by processing staff.

This finding aid may be updated periodically to account for new acquisitions to the collection and/or revisions in arrangement and description.
