

Architects reference file, chiefly 20th century

Overview of the Collection

Title	Architects reference file
Dates	chiefly 20th century nodate nodate
Quantity	5 cubic feet (15 boxes)
Collection Number	PH1305
Summary	A collection of ephemeral, biographical and fugitive items related to specific architects
Repository	University of Washington Libraries, Special Collections Special Collections University of Washington Libraries Box 352900 Seattle, WA 98195-2900 Telephone: 206-543-1929 Fax: 206-543-1931 speccoll@uw.edu
Access Restrictions	The collection is open to the public.
Languages	English

Content Description

An assembled collection that originated from the personal files of Robert Monroe, former head of Special Collections, and has been added to over time. The collection provides research and background information about architects, mainly those who worked in the Pacific Northwest and Alaska. The files contain an assortment of documentation such as obituaries, correspondence, magazine and newspaper articles, exhibition programs, and general ephemera. This collection provides researchers with contextual information about the architects.

Use of the Collection

Restrictions on Use

Restrictions may exist on reproduction, quotation, or publication. Contact Special Collections, University of Washington Libraries for details.

Administrative Information

Custodial History

The collection was originally assembled by Robert Monroe, former head of Special Collections and has been enhanced over time.

Processing Note

Preliminary processing by Jordan Grimmer, August 2011.

Detailed Description of the Collection

Architects General-Bittman
