Historical Background

Blaine, Washington, is situated just below the Canadian border in Whatcom County. The first school district was established in Blaine in 1885. The high school began a site-expansion program in the late 1930s, and the next decades saw multiple building projects, beginning with the Vocational Training Building in 1940.

Content Description

The collection consists of an album photographed by Horace G. Clark of the construction of the Vocational Training Building at Blaine High School in Blaine, Washington.

Administrative Information

Processing Note

Processed by Eydie Detera, March, 2003. Revised by Sarah Nelson, April, 2004.

Detailed Description of the Collection

Container(s)		Description	Dates
Page	Item		
1	1	Cover page Typed on cover page: "Blaine, Wash. Sept. 6th, 1940. The following views taken at different times show interesting views of the new Vocational Training Building, an important addition to the Blaine High School. The building, now completed, to be dedicated tonight 66x144 feet in size is, I am told, one of the best in the state. Horace G. Clark."	Sept. 1940
