<b>Summary</b>	The Center for Pacific Northwest Studies pamphlet collection consists primarily of published textual documents pertaining to various social, economic, political, and historical issues in the Northwestern United States and British Columbia. Arranged by subject, these documents were produced by both governmental and private institutions and include official reports, promotional brochures, articles and studies from journals and magazines, institutional newsletters, and reference works.
<b>Repository</b>	<a href="#">Western Washington University, Center for Pacific Northwest Studies</a> Goltz-Murray Archives Building 808 25th St. Bellingham, WA 98225 Telephone: 360-650-7534 <a href="mailto:cpnws@wwu.edu">cpnws@wwu.edu</a>
<b>Access Restrictions</b>	The collection is open to the public.
<b>Languages</b>	English.
<b>Sponsor</b>	Funding for preparing this finding aid was provided through a grant awarded by the National Historical Publications and Records Commission. Funding for encoding the finding aid was awarded by the National Endowment for the Humanities.

---

## Historical Note

The Center for Pacific Northwest Studies pamphlet collection is an artificial collection used to house individual-item accessions from a number of different donors. Materials have accumulated from sources including individuals from the local and regional communities and governments, service providers and clubs of Whatcom County, Western Washington University, as well as the Whatcom Museum of History and Art.

## Content Description

The collection consists primarily of published textual documents pertaining to various social, economic, political, and historical issues in the Northwestern United States and British Columbia. Arranged by subject, these documents were produced by both governmental and private institutions and include official demographic studies and Census Bureau reports, statistical reports and promotional brochures on economic industries, government reports and studies on state-operated institutions and services, publications generated by both private and governmental cultural institutions, academic studies and tourist brochures about Native Americans, articles and studies from journals and magazines, institutional newsletters, and reference works.

## Use of the Collection

### Preferred Citation

Center for Pacific Northwest Studies, Heritage Resources, Western Washington University, Bellingham WA 98225-9123.

## Administrative Information
